K5-12th Grade Yearly Tuition Rates

Tuition is charged on an annual basis and can be paid in full or through 10 monthly installments. If you choose to pay tuition in monthly installments, you must register with and use FACTS Management Service's monthly electronic withdrawal program

How much does it cost?

1. Start with finding the number of 1st - 6th grade students (blue) you have enrolled.
2. Find the number of 7th -12th grade students (green) you have enrolled.
3. Now come down from the Blue number and across from the Green number to find where they meet. This is the family tuition amount for 1st-12th grades.
